9160 - **PUBLIC ATTENDANCE AT SCHOOL EVENTS**

The Board **of Education** welcomes the attendance of members of the community at athletic and other public events held by the schools in the District, but the Board also acknowledges its duty to maintain order and preserve the facilities of the District during the conduct of such events.

Raffles and similar forms of fund-raising by District-related organizations may be permitted by the Superintendent.

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies. Any person who believes s/he has been discriminated against due to a disability should refer to the complaint procedure set forth in Policy 2260.01 - Section 504/ADA Prohibition Against Discrimination Based on Disability.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto.

The Board holds the legal authority to bar the attendance of or remove any person whose conduct may constitute a disruption on District property or at a school event. School administrators have the authority to call law enforcement officials if a person violates posted regulations or does not leave District property when requested. They are also authorized to use detectors and other devices to better protect the safety and well-being of participants and visitors.

If a student, a non-enrolled minor, or adult is asked to leave or is removed from a school event, no admission fees shall be refunded.

Individuals with disabilities shall have an equal opportunity to purchase tickets for events that have been sanctioned or approved by the Board in accordance with the provisions of the Americans with Disabilities Act, as amended.

Further, in accordance with the provisions of the Americans with Disabilities Act, as amended, the Board shall permit individuals with disabilities to be accompanied by their service animals in all areas of the District's facilities where members of the public, as participants in services, programs or activities, or as invitees, are allowed to go. (See also Policy 8390 - Animals on District Property)

Persons attending school events are subject to the prohibitions on use of tobacco pursuant to Policy 7434 – Use of Tobacco on School Premises.

[Persons attending school events are subject to the provisions of Policy 7217 - Weapons.](#)

The Board is aware of the increasing desire of many parents and other members of an audience to make audio and/or video recordings of school events.

Such recordings can be made by parents or other members of the audience without restriction if the performance is not of copyrighted material. However, if the performance is of copyrighted material, recording can be made if the appropriate license authorizing such recordings has been secured in advance by the District. If the performance is of copyrighted material and the necessary license has not been secured in advance by the District, the audience shall be advised before the performance begins that audio and/or video recordings that will be re-broadcast or distributed in any way, such as posting on the internet, are prohibited.

The Board authorizes the Superintendent to establish rules and procedures governing the use of nondistrict audio/visual recording equipment at any District-sponsored event or activity. Such rules are to be distributed in such a manner that members of the

audience who wish to record the event are aware of the rules early enough to make proper arrangements to obtain their recordings without causing delay or disruption to an activity.

Any person or organization seeking to film students or a school activity which is not a public event shall obtain prior permission from the Superintendent.

All notices, signs, schedules, and other communications about school events shall contain the following statement:

"Upon request to the District Office, submitted twenty-four (24) hours in advance, the District shall make reasonable accommodation including the provision of informational material in an alternative format as necessary for a disabled person to be able to participate in this activity. At least twenty-four (24) hours advance notice of the need for accommodation is appreciated."
