Student Wellness and School Security Measures

Board Goal

Parent and Community Involvement.

- Provide support services and promote health, wellness and safety for students and families.

Purpose of Report

This report is designed to provide a context campus safety and student well-being for adoption of CKE local.

Objectives

- Develop and maintain a culture where learning is our first priority.
- Encourage and nourish a safe learning and compassionate working environment
- Establish a high level of expectation for student success
- Foster a safe, positive, and welcoming environment that encourages parent and community partnerships

Operational Impact

Implementation of CKE Local would provide Denton ISD with more options to provide safety support for our campus.

Results

This could provide another layer of support for campus' safety.
