Re: Social Studies Curriculum Adoption- addendum

Dear Paul and School Board Members;

The Social Studies Department is requesting to order new textbooks to complete our update of materials for Government (1996) and Economics (2005) (not included in previous adoption).

The request is for one classroom set of 30 textbooks for each course plus teacher's guides and 6 year digital courseware license.

The cost of updating the remainder of our social studies curriculum is \$5700.46
