Dear Mr. Morris,

Thank you for coordinating the toy collection effort with Josephine County Toys For Tots within the Three Rivers School District in 2012. You are to be commended for initiating this partnership that has benefitted so many needy children in Josephine County over the past few years.

Due to the bad weather in December the toys collected in the Three Rivers School District were distributed to 200 children in the Cave Junction area on Christmas Eve with the help of the Illinois Valley Rotary. Thank you for arranging transportation of the toys collected at Three Rivers Schools to organizers in Cave Junction. Doing so saved us considerable time and expense here in Merlin.

The giveaway in Josephine County December provided toys to 1534 children the Josephine County and we couldn't have done this without your help. Thanks again for all you've done to make the annual collection and giveaway campaign in this area a success. It is always a pleasure working with you and your staff.

Very truly,

Tony & Celeste Guillory
