

MINUTES OF THE FINANCE COMMITTEE MEETING
April 9, 2026

The Finance Committee began at 3:30 p.m. at the Administrative Service Center, Boardroom, 28W250 St. Charles Road, West Chicago, IL 60185

Members Present:

Dr. Patrick McGill, Superintendent; Dennis Peterson, Board Member; Dr. Joel Filas, Business Manager; and Solly Garcia, Administrative Assistant.

Discussion

The committee discussed ongoing Requests for Proposals (RFPs), including seal coating, with a public bid scheduled for April 17, 2026. The committee also discussed the partnership with the Park District for the north parking lot, with the Park District covering its portion of the agreement.

The committee reviewed the district's food service program, including current operations, historical pricing, and vendor services. Discussion included opportunities to increase student participation and ensure competitive proposals. A committee is participating in the review process, including vendor tastings, with feedback to be provided.

The committee reviewed the FY26 amended budget. Adjustments reflect additional costs related to the Evergreen addition that were originally anticipated in a prior fiscal year but are now being paid in the current year. It was also noted that interest rates have decreased. These adjustments do not impact the capital budget.

The committee reviewed property tax information, noting an increase in revenue due to the new Mainfreight property. The committee also discussed options for funding upcoming life safety projects.

No formal action was taken.
