ARGYLE INDEPENDENT SCHOOL DISTRICT

BOARD MEETING DATE:	May 18, 2026
AGENDA ITEM:	Waste Management Services
AGENDA LOCATION:	Action ▾
PRESENTER TITLE & NAME:	Tommy Ledford
DEPARTMENT:	Operations
PRIORITY FOCUS AREA:	Resource Stewardship ▾

BACKGROUND INFORMATION

We have historically used our current waste management provider under the understanding that their services were required under a franchise agreement with the town. However, we have recently confirmed that the Texas Education Agency recognizes school districts as governmental entities, and as such, we are not obligated to use a municipally franchised provider.

In light of this, we conducted a quote process and determined that Republic had been charging us city franchise pricing, which is significantly higher than what is applicable to us. After requesting a revised proposal, Republic provided new pricing under a five-year agreement with a 3% annual increase.

With this updated structure, we would realize projected savings of over \$85,000 in the first year and more than \$380,000 over a five-year period.

BUDGETARY IMPACT & FUNDING SOURCE

Our new agreement with Republic will save the district over \$85,000 the first year and over 380,000 in 5 years.

ADMINISTRATION RECOMMENDATION

Administration recommends approval of the five-year agreement with Republic for trash services.

MOTION

A motion might be "I approve the waste management five-year agreement as presented".
