## **Report Section Descriptions and Assumptions:**

- **School Level Enrollment Information**

- **Enrollment Comparisons**
  - This section compares the enrollment totals of the current reporting period to the month prior and the same period a year prior.
- **Mobility**
  - This section of the report lists the total number of students by grade who have withdrawn and enrolled during the reporting period.
  - This section of the report uses the same reporting period as the other sections of the report.
  - This section of the report is only accurate the day the section is built as notifications of students withdrawing is ongoing throughout the next month.
- **Leaving Student Breakdown**
  - This section of the report displays the reason students withdrew during the reporting period.
  - This section of the report is broken out by the Minnesota Department of Education's approved End Status Codes. These codes are:
