Subject: Consider Approval of Texas Bluebonnet Curriculum Transition Plan

Date: July 14, 2025

The district will be transitioning from Amplify Reading and Eureka Math to Bluebonnet Learning school year 2025-2026. Bluebonnet Learning materials are state-developed instructional materials that provide teachers with tools to foster student success. Bluebonnet materials cover 100% of the TEKS, are SBOE approved and are designed to be high quality and grade level appropriate. In the transition plan, you will find five actions with subset strategies that will support the transition. TEA requires board approval anytime a district transitions to Bluebonnet Learning. Please find the transition plan attached.

Recommendation: I recommend the Board approve the Transition Plan for Bluebonnet Learning.

Motion Language: I move that the Board approve the Transition Plan for Bluebonnet Learning.
