Curriculum/Instruction

- Winter benchmarking in all grades begins next week. This will provide data to help inform teachers' instruction and be used as an important discussion point in PLCs.

IDH Focus/Ongoing Work:

- Professional Learning Communities (PLCs) - Teachers meet every Monday
  - Primary Focus around 4 questions:
    - What do we want all students to know and be able to do?
    - How will we know if they learn it?
    - How will we respond when some students do not learn?
    - How will we extend the learning for students who are already proficient?
- Multi-Tiered Systems of Support (MTSS) - Weekly on Wednesdays with a different grade level. Focus on struggling learners, interventions, collection of data to see how intervention(s) are working
