Principal's General Narrative:

We have finished up the fall semester and are looking forward to a busy but successful spring semester. Many extra-curricular activities will keep us all busy throughout the spring but the local stock show and district basketball contests will be the focus in January. The state testing dates will be quickly here with the first round beginning March 5th.

The high school faculty, as always, would like to express our appreciation for the support and leadership from the school board, superintendent, and everyone in the central office. Thanks.
