Subject: Revised Policy 8200 Library Policy - Second Reading

Policy 8200 Library Materials has been revised to include updated definitions as amended by Utah Code. Reconsideration procedures have been revised to include the process for filing a request for reconsideration of library materials. Sections in the policy regarding sensitive materials have been moved to a stand-alone policy 8250 Sensitive Materials. There has been no feedback on this policy since the first reading. An update to this policy has been requested by the Legal Department. We are seeking Board approval of this policy on a second read.
