
Note: This local policy has been revised in accordance with the District's innovation plan.¹

Campus Behavior Coordinator

In accordance with the District's innovation plan, the District is exempt from the state law requiring that a single person at each campus be designated to serve as the campus behavior coordinator (CBC). The principal shall designate campus administrators designated to serve as CBCs.

Student Code of Conduct

The District's rules of discipline are maintained in the Board-adopted Student Code of Conduct and are established to support an environment conducive to teaching and learning.

Rules of conduct and discipline shall not have the effect of discriminating on the basis of gender, race, color, disability, religion, ethnicity, or national origin.

At the beginning of the school year and throughout the school year as necessary, the Student Code of Conduct shall be:

1. Posted and prominently displayed at each campus or made available for review in the principal's office, as required by law; and
2. Made available on the District's website and/or as a hard copy to students, parents, teachers, administrators, and others on request.

Revisions

Revisions to the Student Code of Conduct approved by the Board during the year shall be made available promptly to students and parents, teachers, administrators, and others.

Extracurricular Standards of Behavior

With the approval of the principal and Superintendent, sponsors and coaches of extracurricular activities may develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards. Extracurricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property.

A student shall be informed of any extracurricular behavior standards at the beginning of each school year or when the student first begins participation in the activity. A student and his or her parent shall sign and return to the sponsor or coach a statement that they have read the extracurricular behavior standards and consent to them as a condition of participation in the activity.

Standards of behavior for an extracurricular activity are independent of the Student Code of Conduct. Violations of these standards of behavior that are also violations of the Student Code of Conduct may result in independent disciplinary actions.

A student may be removed from participation in extracurricular activities or may be excluded from school honors for violation of extracurricular standards of behavior for an activity or for violation of the Student Code of Conduct.

“Parent” Defined

Throughout the Student Code of Conduct and discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the child.

 - e. The potential effect of the misconduct on the school environment;

3. Before a student under 18 is assigned to detention outside regular school hours, notice shall be given to the student’s parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.
