

GOOSE CREEK CONSOLIDATED INDEPENDENT SCHOOL DISTRICT

SHEILA V. CANTU

DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS

It is recommended that the Board of Trustees approve the use of Competitive Sealed Proposals as the project delivery method that offers the best value for the Junior School roof and building repairs.

Additionally, it is recommended that the Board authorize the Superintendent or designee to:

- Develop and publish selection criteria,
- Prepare and issue a Request for Proposals (RFP),
- Receive and publicly open submitted proposals, and
- Administer the RFP process in accordance with Texas Government Code Chapter 2269, Subchapter D, and District Policy CVB (Legal) and (Local).

With the Board's authorization of this request, the District can advertise for contractors, receive, and evaluate the responses from contractors, and present the evaluation recommendation to the Board for approval.
