SECTION 1. AUTHORIZATION AND DISTRICT INDEBTEDNESS. The District is authorized, pursuant to Minnesota Statutes, Sections 123B.595 and Chapter 475, to borrow money by the issuance of its general obligation facilities maintenance bonds. This Board hereby determines that it is necessary and desirable and in the best interest of the District to issue its General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2018A in the approximate principal amount of \$8,925,000 (the Bonds), pursuant to Minnesota Statutes, Section 123B.595, Section 469.1814, and Chapter 475, a portion of which (\$6,935,000) (the Facilities Maintenance Bonds Portion) will be used to finance various heating, ventilation, and air conditioning replacement projects at Southwest Junior High, Scandia Elementary, and Linwood Elementary (the Projects), as described in the District's ten-year facility plan (the Facility Plan) hereby approved by this Board and a portion of which (\$1,990,000) (the Tax Abatement Bonds Portion) will be used to finance a parking lot reconstruction and improvement project at Wyoming Elementary, Forest Lake Elementary, Lino Lakes Elementary, Forest Lake High School and Forest Lake Area Middle School (the Improvements). To pay all or a portion of the costs of the Improvements or to pay a portion of the principal of and interest on general obligation bonds to be issued by the District to pay for the Improvements, this Board by resolution adopted June 21, 2018, following a public hearing (the Abatement Resolution), has granted an abatement of property taxes to be imposed by the District on certain parcels in the District identified in the Abatement Resolution (the Abated Parcels) for a period of ten (10) years commencing with property taxes payable in 2019 and concluding with property taxes payable in 2028, all pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, as amended. It is hereby determined to be in the best interests of the District to issue the Bonds, the Facilities Maintenance Bonds Portion of which will finance the Projects and Tax Abatement Bonds Portion of which will finance the Improvements including every item of cost of the kinds authorized in Minnesota Statutes, Section 469.1814, subdivision 5, benefiting the Abated Parcels. Pursuant to the provisions of Minnesota Statutes, Section 123B.595, subdivision 5 it is hereby determined that the total amount of District indebtedness as of June 1, 2018 is \$151,000,000.

SECTION 2. APPROVAL BY COMMISSIONER OF EDUCATION OF THE STATE OF MINNESOTA. SECTION 3. NOTICE PUBLICATION. The Clerk is authorized and directed to cause notice of the intended projects, the amount of the facilities maintenance bonds to be issued, and the total amount of the District's indebtedness to be published in a legal newspaper of general circulation in the District.

The District further covenants to deposit with the Registrar or any successor paying agent three (3) days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Commissioner of Education that it will be unable to make all or a portion of that payment. The Registrar for the Bonds is authorized and directed to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the date a payment is due on the Bonds, there are insufficient funds to make that payment on deposit with the Registrar. The District understands that as a result of its covenant to be bound by the provision of Minnesota Statutes, Section 126C.55, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.

DETAILS OF THE BONDS

The Bonds will be dated as of the date of delivery and will bear interest payable on February 1 and August 1 of each year, commencing August 1, 2019. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Bonds will mature February 1 in the years and amounts* as follows:

2020	\$670,000	2022	\$835,000	2024	\$890,000	2026	\$945,000	2028	\$1,000,000
2021	\$810,000	2023	\$860,000	2025	\$915,000	2027	\$970,000	2029	\$1,030,000

* *The District reserves the right, after proposals are opened and prior to award, to increase or reduce the principal amount of the Bonds or the amount of any maturity or maturities in multiples of \$5,000. In the event the amount of any maturity is modified, the aggregate purchase price will be adjusted to result in the same gross spread per \$1,000 of Bonds as that of the original proposal. Gross spread for this purpose is the differential between the price paid to the District for the new issue and the prices at which the proposal indicates the securities will be initially offered to the investing public.*

Proposals for the Bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds. All term bonds shall be subject to mandatory sinking fund redemption at a price of par plus accrued interest to the date of redemption scheduled to conform to the maturity schedule set forth above. In order to designate term bonds, the proposal must specify "Years of Term Maturities" in the spaces provided on the proposal form.

BOOK ENTRY SYSTEM

The Bonds will be issued by means of a book entry system with no physical distribution of Bonds made to the public. The Bonds will be issued in fully registered form and one Bond, representing the aggregate principal amount of the Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), New York, New York, which will act as securities depository for the Bonds. Individual purchases of the Bonds may be made in the principal amount of \$5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the registrar to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The lowest bidder (the "Purchaser"), as a condition of delivery of the Bonds, will be required to deposit the Bonds with DTC.

REGISTRAR

The District will name the registrar which shall be subject to applicable regulations of the Securities and Exchange Commission. The District will pay for the services of the registrar.

OPTIONAL REDEMPTION

The District may elect on February 1, 2026, and on any day thereafter, to redeem Bonds due on or after February 1, 2027. Redemption may be in whole or in part and if in part at the option of the District and in such manner as the District shall determine. If less than all Bonds of a maturity are called for redemption, the District will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. All redemptions shall be at a price of par plus accrued interest.

SECURITY AND PURPOSE

The Bonds will be general obligations of the District for which the District will pledge its full faith and credit and power to levy direct general ad valorem taxes. In addition, the District will pledge tax abatement revenues from identified properties for repayment of a portion of the Bonds. The District has also

covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55 and to use the provisions of that statute pursuant to which the State of Minnesota will appropriate money to the payment of the principal and interest on the Bonds when due if the District is unable to make a principal or interest payment. The proceeds of the Bonds will be used to finance (i) parking lot reconstruction and improvements across the District's existing facilities and (ii) various heating, ventilation, and air conditioning replacement projects at three existing school facilities as included in the District's Ten-Year Facility Plan, approved by the Commissioner of Education.

BIDDING PARAMETERS

Proposals shall be for not less than \$8,925,000 (Par) plus accrued interest, if any, on the total principal amount of the Bonds. No proposal can be withdrawn or amended after the time set for receiving proposals on the Sale Date unless the meeting of the District scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made. Rates shall be in integral multiples of 1/100 or 1/8 of 1%. The initial price to the public for each maturity as stated on the proposal must be 98.0% or greater. Bonds of the same maturity shall bear a single rate from the date of the Bonds to the date of maturity. No conditional proposals will be accepted.

ESTABLISHMENT OF ISSUE PRICE

In order to establish the issue price of the Bonds for federal income tax purposes, the District requires bidders to agree to the following, and by submitting a bid, each bidder agrees to the following.

If a proposal is submitted by a potential underwriter, the bidder confirms that (i) the underwriters have offered or reasonably expect to offer the Bonds to the public on or before the date of the award at the offering price (the "initial offering price") for each maturity as set forth in the proposal and (ii) the bidder, if it is the Purchaser, shall require any agreement among underwriters, selling group agreement, retail distribution agreement or other agreement relating to the initial sale of the Bonds to the public to which it is a party to include provisions requiring compliance by all parties to such agreements with the provisions contained herein. For purposes hereof, Bonds with a separate CUSIP number constitute a separate "maturity," and the public does not include underwriters (including members of a selling group or retail distribution group) or persons related to underwriters.

If, however, a proposal is submitted for the bidder's own account in a capacity other than as an underwriter of the Bonds, and the bidder has no current intention to sell, reoffer, or otherwise dispose of the Bonds, the bidder shall notify the District to that effect at the time it submits its proposal and shall provide a certificate to that effect in place of the certificate otherwise required below.

If the winning bidder intends to act as an underwriter, the District shall advise the winning bidder at or prior to the time of award whether the competitive sale rule applies.

If the District advises the Purchaser that the requirements for a competitive sale have been satisfied and that the competitive sale rule applies, the Purchaser will be required to deliver to the District prior to closing a certification, substantially in the form attached hereto as Exhibit A, as to the reasonably expected initial offering price as of the award date.

If the District advises the Purchaser that the requirements for a competitive sale have not been satisfied, the Purchaser shall (1) advise the District as soon as practicable after the award whether the underwriters have sold at least 10% of each maturity of the Bonds to the public at the initial offering price, and, if not, the maturities with respect that is not the case (the "Undersold Maturities"); (2) from time to time, and upon request of the District, inform the District in writing of the amounts, times and prices of sales of Bonds that are Undersold Maturities and whether such sales were to the public until, with respect to a maturity, at least 10% of that maturity has been sold to the public at a single price, or, if earlier, the date on which all Bonds of such Undersold Maturity have been sold to the Public; and (3) at or prior to closing, deliver to the District a certification substantially in the form attached hereto as Exhibit B.

Any action to be taken or documentation to be received by the District pursuant hereto may be taken or received on behalf of the District by Springsted.

The Bonds will not be subject to the “hold-the-offering-price” rule. Any proposal submitted pursuant to the Terms of Proposal shall be considered a firm offer for the purchase of the Bonds, and proposals submitted will not be subject to cancellation or withdrawal.

GOOD FAITH DEPOSIT

To have its proposal considered for award, the Purchaser is required to submit a good faith deposit to the District in the amount of \$89,250 (the “Deposit”) no later than 1:00 P.M., Central Time on the Sale Date. The Deposit may be delivered as described herein in the form of either (i) a certified or cashier’s check payable to the District; or (ii) a wire transfer. The Purchaser shall be solely responsible for the timely delivery of its Deposit whether by check or wire transfer. Neither the District nor Springsted have any liability for delays in the receipt of the Deposit. If the Deposit is not received by the specified time, the District may, at its sole discretion, reject the proposal of the lowest bidder, direct the second lowest bidder to submit a Deposit, and thereafter award the sale to such bidder.

Certified or Cashier’s Check. A Deposit made by certified or cashier’s check will be considered timely delivered to the District if it is made payable to the District and delivered to Springsted Incorporated, 380 Jackson Street, Suite 300, Saint Paul, Minnesota 55101 by the time specified above.

Wire Transfer. A Deposit made by wire will be considered timely delivered to the District upon submission of a federal wire reference number by the specified time. Wire transfer instructions will be available from Springsted following the receipt and tabulation of proposals. The successful bidder must send an e-mail including the following information: (i) the federal reference number and time released; (ii) the amount of the wire transfer; and (iii) the issue to which it applies.

Once an award has been made, the Deposit received from the Purchaser will be retained by the District and no interest will accrue to the Purchaser. The amount of the Deposit will be deducted at settlement from the purchase price. In the event the Purchaser fails to comply with the accepted proposal, said amount will be retained by the District.

AWARD

The Bonds will be awarded on the basis of the lowest interest rate to be determined on a true interest cost (TIC) basis calculated on the proposal prior to any adjustment made by the District. The District's computation of the interest rate of each proposal, in accordance with customary practice, will be controlling.

The District will reserve the right to: (i) waive non-substantive informalities of any proposal or of matters relating to the receipt of proposals and award of the Bonds, (ii) reject all proposals without cause, and (iii) reject any proposal that the District determines to have failed to comply with the terms herein.

BOND INSURANCE AT PURCHASER'S OPTION

The District has **not** applied for or pre-approved a commitment for any policy of municipal bond insurance with respect to the Bonds. If the Bonds qualify for municipal bond insurance and a bidder desires to purchase a policy, such indication, the maturities to be insured, and the name of the desired insurer must be set forth on the bidder’s proposal. The District specifically reserves the right to reject any bid specifying municipal bond insurance, even though such bid may result in the lowest TIC to the District. All costs associated with the issuance and administration of such policy and associated ratings and expenses (other than any independent rating requested by the District) shall be paid by the successful bidder. Failure of the municipal bond insurer to issue the policy after the award of the Bonds shall not constitute cause for failure or refusal by the successful bidder to accept delivery of the Bonds.

CUSIP NUMBERS

If the Bonds qualify for the assignment of CUSIP numbers such numbers will be printed on the Bonds; however, neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the Purchaser to accept delivery of the Bonds. Springsted will apply for CUSIP numbers pursuant to Rule G-34 implemented by the Municipal Securities Rulemaking Board. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the Purchaser.

SETTLEMENT

On or about August 16, 2018, the Bonds will be delivered without cost to the Purchaser through DTC in New York, New York. Delivery will be subject to receipt by the Purchaser of an approving legal opinion of Dorsey & Whitney LLP of Minneapolis, Minnesota, and of customary closing papers, including a no-litigation certificate. On the date of settlement, payment for the Bonds shall be made in federal, or equivalent, funds that shall be received at the offices of the District or its designee not later than 12:00 Noon, Central Time. Unless compliance with the terms of payment for the Bonds has been made impossible by action of the District, or its agents, the Purchaser shall be liable to the District for any loss suffered by the District by reason of the Purchaser's non-compliance with said terms for payment.

CONTINUING DISCLOSURE

On the date of the actual issuance and delivery of the Bonds, the District will execute and deliver a Continuing Disclosure Undertaking (the "Undertaking") whereunder the District will covenant to provide, or cause to be provided, annual financial information, including audited financial statements of the District, and notices of certain material events, as specified in and required by SEC Rule 15c2-12(b)(5).

OFFICIAL STATEMENT

The District has authorized the preparation of a Preliminary Official Statement containing pertinent information relative to the Bonds, and said Preliminary Official Statement has been deemed final by the District as of the date thereof within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For copies of the Preliminary Official Statement or for any additional information prior to sale, any prospective purchaser is referred to the Municipal Advisor to the District, Springsted Incorporated, 380 Jackson Street, Suite 300, Saint Paul, Minnesota 55101, telephone (651) 223-3000.

A Final Official Statement (as that term is defined in Rule 15c2-12) will be prepared, specifying the maturity dates, principal amounts, and interest rates of the Bonds, together with any other information required by law. By awarding the Bonds to the Purchaser, the District agrees that, no more than seven business days after the date of such award, it shall provide without cost to the Purchaser up to 25 copies of the Final Official Statement. The District designates the Purchaser as its agent for purposes of distributing copies of the Final Official Statement to each syndicate member, if applicable. The Purchaser agrees that if its proposal is accepted by the District, (i) it shall accept designation and (ii) it shall enter into a contractual relationship with its syndicate members for purposes of assuring the receipt of the Final Official Statement by each such syndicate member.
