Operations Activity Report

March 2025

Maintenance

- In the month of February, the maintenance department received 193 work orders.
- We are still down 1 groundskeeper position. We will continue to partner with our vendor to maintain the grounds until we can get the grounds department fully staffed.
- Quarterly filters changes and spring preventative maintenance has been conducted.
- We are anticipating the Intermediate portables to arrive during Spring Break.

Custodial

- We are down multiple custodial positions. We are actively interviewing to try to get this position filled.

Safety & Security

- Campuses have been conducting emergency drills as scheduled.
- Our next Safety and Security Committee meeting will be next month on April 24th at the High School Library.
- We have added additional cameras to some of our interior locations and planning on adding additional exterior cameras to our campuses.
