**REPORT:**

Ms. Cyndy Kohl, Director of Student Assessment, presented the results from the Texas Academic Performance Report (TAPR) and gave the location online to find all the data pertaining to the results found for Wichita Falls ISD. The public hearing fulfills the requirements of the Texas Education Code Chapter 39. Texas Education Code Chapter 39 also requires each district's board of trustees to publish an annual report that includes the Texas Academic Performance Report (TAPR), campus performance objectives, a report of violent or criminal incidents, and information received under Texas Education Code 51.403 (e) from the Texas Higher Education Coordinating Board (THECB). For this report no letter grades or accreditation levels are given due to the current pending law suit at the state level.

Mrs. Kohl stated the report will be available at all campuses, the Education Center and the public library in the next two weeks or so. Mrs. Katherine McGregor, board member, asked what exactly does the meeting tell us and Ms. Kohl responded that it is required by laws and it is to just inform the board and public of the information provided in the report and where to find it.
