Item Summary: On November 4, 2025, a bond referendum was approved that included Elementary School #39. Procurement for architect or engineer services is prescribed by law in Texas Government code 2254. The code, specifically 2254.004, requires all submissions be selected on the basis of demonstrated competence and qualifications. The Bond Program Office is also recommending that the procurement method for this project be Competitive Sealed Proposals. This project will be funded from the 2025 Bond funds. The construction budget for this project is \$40,000,000.00.

Recommendation: Administration recommends that the Board of Trustees approve Joiner Architects for the design of Elementary School #39 using the Competitive Sealed Proposal procurement method and authorize the Superintendent or designee to execute the agreement.
