

ISBA POLICY REWRITE OPTIONS

Policy Manual Services

ISBA currently offers the following three options to assist districts and charter schools with their policy manuals:

Blended Rewrite:
\$7,000

1. Blended Policy Manual Rewrite:

ISBA customizes each model policy, blending it with existing district or school policies:

- Policy research and analysis
- Policy recommendations for new and revised policies
- Codification for consistency throughout manual
- Preparation and presentation of draft section for review
- Revisions based on any requested changes following review
- Customizing and proofreading of policies
- Master copy of each section of revised manual provided in MS Word format

Fresh Start Rewrite:
\$4,000

2. Fresh Start Policy Manual Rewrite:

Purchase of ISBA Model Policy Manual plus:

- ISBA customizes each model policy with district or school information
- Revisions based on requested changes
- Proofreading of policies
- Master copy of each section of revised manual provided in MS Word format

Purchase of Manual:
\$2,000

3. Purchase Model Policy Manual:

Purchase of ISBA Policy Manual that includes:

- ISBA's complete Model Policy Manual in MS Word format
- MS Word format allows the district or school to customize the policy manual in-house
- Beneficial to schools with the staff and time to customize manual
