

July 12, 2010

Mrs. Sally Havey
Insurance Coordinator
Denton Independent School District
P O Box 1951
Denton, Texas 76202

Dear Sally,

At the request of Denton Independent School District, our office assisted in the preparation of proposals for On-Line Enrollment System Services.

The District received three (3) proposals for an On-Line Enrollment System. The vendors were USB Enrollment Services, LLC, CoreSource and SECOVA. After a complete analysis of the proposals it is our recommendation that the District continue to utilize CoreSource, the incumbent, for On-Line Enrollment services based on price and no disruption to the employee population in learning to navigate a new system.

We have attached a copy of the proposal analysis for your review. Please do not hesitate to give us a call with any questions or concerns that you may have.

Sincerely,

Eric D. Smith
