

Consider approval of the purchase of an alignment rack and alignment machine from Carl Turner Equipment Inc.

1. Background:

Southwest Legacy High School CTE Program of Study Automotive Technology is designed to equip students with practical skills and knowledge necessary for successful careers in the automotive industry. Currently, the program needs an alignment rack and alignment machine in order for students to have the essential equipment to perform critical repair and maintenance tasks effectively. Investing in this equipment is a crucial step towards enhancing the CTE program. It will provide students with vital skills, promote safety, and align the program with industry standards.

2. Process:

The vendor was procured through RFP 2223-125 Transportation Supplies, Equipment, and Services.

3. Fiscal Impact:

The total cost for the alignment rack and alignment machine will not exceed \$75,000. CTE funds will be used for this purchase.

4. Recommendation:

That the Board approve the purchase from Carl Turner Equipment Inc.

5. Required:

Board action.
