Dear Sandy,

The Mid-Valley Special Education Cooperative Executive Advisory Board has accepted your generous donation of a craft and stamping items to be used in the microbusiness operations of the SAIL and ToTAL Programs. I wish to express our gratitude for your commitment and contribution to our organization. Gifts like yours enable us to provide supplies no cost for districts and students to help them succeed and participate in school, increase their social interactions, and gain in self-confidence and vocational skills. We truly appreciate your thoughtfulness in providing the donation.

Sincerely,

A handwritten signature in cursive script that reads 'Carla' followed by a small flourish.
