**Re: Freedom of Information Act Request – Paint Orders Exceeding \$1,000**

Dear Enrique:

This letter is in response to your Freedom of Information Act (FOIA) request dated January 6, 2026, and received in my office on January 6, 2026.

**In your letter you requested the following:**

Under the Freedom of Information Act, I am requesting copies of any purchase orders or invoices for paint made by the School District that exceeded \$1,000 within the past five (5) years. Please provide these records in electronic format. If you are not the correct person to handle this request, kindly forward it to the appropriate individual. This request is not for commercial use, and I respectfully ask that any fees be waived. Please confirm receipt and let me know if you need additional details. "This request is for painting commercial projects throughout the entire school facility, including classrooms, hallways, common areas, and administrative spaces. The scope of work covers all interior surfaces, ensuring a consistent and durable finish suitable for high-traffic environments. Paint specifications should prioritize low-VOC products for safety and air quality, high durability for long-term performance, and colors aligned with the school's design standards."

**Response to request:**

In response to your request, the District does not have any records in its possession or control pertaining to the items in your requests.

As Superintendent and one of the FOIA Officers for the District, I am responsible for granting and denying requests for records under the FOIA. The District's responses contained in this letter intend to be fully responsive to your specific request. If I have misinterpreted your request, please clarify your request in writing to me.

If you should have further questions, please do not hesitate to contact me.

Sincerely,

Dr. Matt Maxwell  
Superintendent
