## CHELSEA SCHOOL DISTRICT FIELD TRIP REQUEST FORM

The Chelsea Board of Education, through its policies, has established rules regarding field trips. Local trips under 75 miles from school are to be approved by the building principal. Trips between 75 miles and 200 miles, within the United States, must be approved by the building principal and the Superintendent. All overnight out-of-state trips, trips greater than 200 miles from the school, trips outside of the United States, and trips including a Sunday must be approved by the Board. Trips requiring Board approval are to be submitted at least 30 days before the scheduled trip, and allow the Board two regularly scheduled meetings for consideration; and prior to confirming with students and parents that the trip will occur.
