

FES February 2025 School Board Update

Upcoming Parent/Teacher Conferences

Parent/Teacher conferences will be held on Tuesday, February 25th, and Thursday, February 27th at FES. Conferences are an excellent opportunity for families and staff to collaborate on how to best support the academic, social, and emotional needs of our students. Parents have the option of coming to school and conference in person or meeting virtually. We expect a great turnout again as we routinely have a 95% or better family participation rate.

FES Music Concerts

The third-grade music concerts were held on Thursday, February 6th. Once again, we had great family attendance with the auditorium having standing-room only. Second-grade concerts are on Thursday, March 20th, and first-grade concerts are on Thursday, April 10th. The kindergarten concerts will be in the afternoon of Wednesday, April 30th, and Thursday, May 1st. A big "thank you" to FES Music Teachers Heidi Runyon and Grace Bergstrom for putting together these great events.

2024-2025 Student Placement

In the March FES newsletter, we will once again offer parents an opportunity to provide input on student placement for the upcoming school year. Parents will have until early April to return the form if desired to the FES office. Teacher teams will take the information provided and use it to help make class lists beginning in mid-April.
