

PLAN FOR *Success*

Waterford Union High School 2025-2026

Mission

WUHS inspires all to achieve high expectations and ensures that each student is prepared for college or career and life

STUDENT CLIMATE AND CULTURE

- By the end of the 2025-2026 school year, the building, through the efforts of the Lighthouse team, will see an increase from 68 to 73 points on the question "Students believe they are provided with school-wide and classroom activities that grow their leadership and decision-making" on the MRA survey.

FISCAL RESPONSIBILITY

- By the end of the 2025-2026 school year, the business office will have maintained a AA Bond rating and successfully completed the 2024-2025 audit with no substantial findings. These accomplishments, coupled with a deliberate effort to lower self-funded health insurance expenses, will ensure the fund balance remains at least 40% of our operating costs.

LEARNING AND ACADEMIC ACHIEVEMENT

- By the end of the 2025-2026 School year, 100% of students will demonstrate measurable growth in at least one core skill area- Reading, Writing, Mathematics, Problem Solving, or Critical Thinking- as measured by growth from baseline to post-assessment on district-approved tools (STAR, Act, Local Common Formative Assessments, or AP Assessments)

STAKEHOLDER ENGAGEMENT

- By the end of the 2025-2026 school year, the building, through the efforts of the lighthouse team, will see an increase from 64 to 69 points on the Community Engagement question "The school engages the community through collaborative partnerships and service learning that provides students and their families with sources of support and learning" on the MRA survey.
