

15-910(J)(3)(d) The initial date that the school district began to levy property taxes to provide funding for desegregation expenses and any dates that these property tax levies were increased:

Initial Levy: 1992-1993 fiscal year

Levy Increases: The Records Retention and Disposition Schedule for Arizona School Districts, promulgated by the Arizona State Library, Archives and Public Records Agency, mandates the destruction of school district budgets three years after their adoption. The District therefore lacks records necessary to fully answer this inquiry.

It is known, however, that the District has not increased its desegregation levy in any fiscal year from 1999-2000 to the present.
