## Board Report

September 2025

- Transfer Students
  - This school year, we have had several students transfer in who require special education services. Meetings with teachers and related service professionals have been held to develop plans to accommodate the students' needs.
- EC/PK
  - Pre-Kindergarten and Early Childhood is working to establish a more efficient and data-driven process of providing interventions. We will be working with an identified "CARES" team lead and our school psychologist to support students and teachers.
- New Staff Inservice
  - New special education teachers were provided an inservice with Perandoe's Assistance Director Cheryl Ebers. Cheryl walked staff through the IEP writing process and progress monitoring strategies. Vicky and Christy are providing throughout the year support with writing IEPs as needed.
