**Subject:** Letter of Resignation-Guerra

Dear Dr. Conway and Board of Education Members,

It is with a heavy heart that I submit this letter of resignation from Derby Public Schools effective June 30, 2016. I've been employed as a Derby Public School educator for four years, working diligently to provide high-quality educational experiences for all students as a classroom teacher and most recently as a Resident Administrator. In the absence of a current opportunity to interview for a leadership position in Derby, I had to make the difficult decision to pursue and accept a leadership opportunity elsewhere. In the spirit of collaboration and collegiality, I look forward to the opportunity for our paths to cross again in the future.

Sincerely,

Christina Guerra
