ACTION

**BACKGROUND INFORMATION**

Each year, and particularly after Legislative sessions, we revise and update Dress Code and Code of Conduct.

Our Code of Conduct is almost always in complete accordance with TASB model Code of Conduct, and that is true again this year. Very minor revisions have been proposed to current Dress Code. We will provide an overview of any key changes at meeting.

With a new administrative team in place, we are still verifying at Notice time compatibility of these Codes with elements of campus discipline plans and practices. Hard copies of proposed Codes will be available earlier than the meeting.

**ADMINISTRATIVE RECOMMENDATION**

Approve Code revisions as recommended for 2011-2012..
