Dear Colleagues/Friends,

I am very sad and sorry to share with you that I am formally stepping away from my position as a D33 School Board member, for personal reasons. As you already know, I have been unable to fulfill my commitment to meetings and events as much as I should and wanted to. I appreciate you all for the work you are doing and taking on the work without my presence as a board member and secretary recently. As I have shared with Kristina and Rita, I am so impressed and so fortunate to be a part of a school board team that is so professional but even more dedicated and unified. Thank you for being everything we have learned and trained to be as a team of seven. I will miss this opportunity; the collegueship, the friendships and the inspirations you have all given me. I hope our paths cross again in the future with the same spirit. I am so proud of the work we did for our families and staff members. Best wishes and prayers for everyone and your work. Thank you for your support and understanding,

Tom
