

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting March 24, 2025

FOR ACTION

Subject: Approval of Math Curriculum

At the last regular meeting, the Board of Education was presented the process used by Mrs. Gabany and the Math Committee over the past two years that led to the recommendation of Eureka Math² curricular resources for the Pre-K through 5th grade. The upfront cost of adoption of these digital and print resources is \$224,161.75 and the cost of anticipated onsite professional development is \$14,800 that is included in the overall cost. This will enable the District to use these resources for the next six years before having to reconsider new resources and materials.

Therefore, it is the recommendation of the Administration to approve the purchase of the Eureka Math² digital and print resources along with the professional development for a total cost of \$224,161.75.

Recommendation: The Board approve the purchase of math resources and professional development from Eureka Math² for \$224,161.75, as presented.
