

Rocky Boy Print Shop 9/10/2019

- As of August 1st, 2019, prices at the print shop increased by \$0.05
 - The last increase was in October 2018, by \$0.03
- The print shop was approved for new equipment that would replace the current Canon printers.
 - On September 2, 2019, a new Toshiba e-STUDIO 6518A printer was delivered and installed.
 - On September 6, 2019, a new Toshiba e-STUDIO 5515AC printer was delivered and installed.
- For the first time, the print shop was assigned the task of creating and designing the Rocky Boy High School STARS 2019-2020 Sports Schedule.
- According to Black Mountain Software:
 - July 2019, prior to increase in prices:
 - The Rocky Boy School District bill: \$1,913.80
 - For other tribal departments and personal orders: \$3,188.53
 - August 2019, after increase in prices:
 - The Rocky Boy School District bill: \$8,974.54
 - For other tribal departments and personal orders: \$3,081.19

There was a larger number of work orders in August, however, they were small projects that required less production time and supplies, hence the declination.

(*Note* For Black Mountain Software, the numbers reflect the invoices created, and not the ones that received payment)
