

PROPOSED REVISIONS 3.29.23

No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as authorized by this or other District policy.

Medication Provided by Parent

The Superintendent shall designate the employees who are authorized to administer medication that has been provided by a student's parent. An authorized employee is permitted to administer the following medication in accordance with administrative regulations:

1. Prescription medication in accordance with legal requirements.
2. Nonprescription medication, upon a parent's written request, when properly labeled and in the original container.
3. Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program or Section 504 plan for a student with disabilities.

Medication Provided by District

The District shall purchase certain nonprescription medications to administer to students in accordance with:

1. Protocols established by the District's medical adviser who must be licensed to practice medicine in the state of Texas; and
2. Parental consent given on the emergency treatment form.

The Superintendent shall designate the employees who are authorized to administer nonprescription medication under these protocols and permissions.

Administration of Opioid Antagonist Medication

The District shall purchase and store opioid antagonist medication, such as Naloxone, to assist a person who may be experiencing an opioid-related drug overdose. Only a registered nurse or other designated and trained District employee shall be authorized to administer this medication and may do so only in accordance with a standing order or procedures approved by a physician licensed to practice medicine in the state of Texas.

The Superintendent shall develop administrative procedures addressing acquisition, maintenance, expiration, disposal, and availability of opioid antagonist medication in the District, as well as employee training and emergency notification requirements.

Psychotropics

Except as permitted by law, an employee shall not:

1. Recommend to a student or a parent that the student use a psychotropic drug;
2. Suggest a particular diagnosis; or
3. Exclude the student from a class or a school-related activity because of the parent's refusal to consent to psychiatric evaluation or examination or treatment of the student.

Medical Treatment

A student's parent, legal guardian, or other person having lawful control shall annually complete and sign a form that provides emergency information and addresses authorization regarding medical treatment. A student who has reached age 18 shall be permitted to complete this form.

The District shall seek appropriate emergency care for a student as required or deemed necessary.
