

EXTENDED ISS

UPDATE HIGHLIGHTS

- Amends 37.005 TEC to no set time limit for ISS for a violation of Student Code of Conduct
- Review every 10 days with documentation of any necessary extension.

HISD PREREQUISITE CHECKLIST

Any assignment to In School Suspension (ISS) for 10 or more days must follow the required process below. Prior to considering extended ISS, administrators must have exhausted all other available disciplinary options and provide adequate justification for an extended ISS assignment. All 504 and SPED MDR's must take place.

STEPS	TOOL
PLACEMENT: Before a student can be placed in ISS for 10 or more consecutive days they must receive approval from the campus principal using the Extended ISS Referral Tool.	Extended ISS Referral Tool
REVIEW AND PROGRESS MONITORING: Every 10 days, an official review is required for each extended ISS placement. Review must ensure: <ul style="list-style-type: none">• Continuation of SPED services• Opportunity to progress in the general curriculum• Justification for continued extended placement in ISS	Extended ISS Progress Monitoring Tool
DOCUMENTATION AND ACCOUNTABILITY: Appropriate documentation of justification for each extension of placement is required and will be reviewed at each campus SIFA visit.	Extended ISS Progress Monitoring Tool
