

Engage, Challenge, and Inspire All Students to Create Opportunities for Themselves and Others

Mahtomedi Public Schools Goals and Aspirations for All Students

Through the lens of Equity, Growth Mindset, and Future Ready Skills

ENGAGE students, staff, and community to provide an equitable learning environment to ensure all students are college and career ready

Staff will identify and implement targeted instructional strategies and assessment processes so all students will develop academic vocabulary, literacy, and math skills to help close the achievement gap.

Increase the number of students meeting or exceeding MCA standards in reading, math, and science to 85%.

CHALLENGE student and staff to exhibit a growth mindset and demonstrate healthy behaviors.

Staff will integrate growth mindset strategies on self-regulation, active learning, student engagement and guide students on healthy decision making.

All students will learn the skills needed to be a self-directed learner and to make healthy life choices.

INSPIRE creativity and innovation in teaching and learning

Staff will use instructional time in innovative ways so students will imagine, turn ideas into actions and think critically and communicate effectively.

All students will be career and college ready by having the opportunity to participate in innovative instruction.
