

01-21-2026

Presented to the Board of Trustees,

To purchase two new 71 passenger school buses, to meet DEQ requirements.

DEQ replacement Grant.

Cost, two school bus	35% DEQ Grant	Total District Cost	Total Budget 2027	Total cost	Depreciation reimbursement 2027	Total cost
\$317,671.12	\$111,184.90	\$206,486.22	\$158,835.66	\$47,650.66	\$48,295.00	\$644.40

The following timelines will be required for all awarded projects:

- Order all vehicles within 60 days of the award and provide a signed purchase order to DEQ.
- The existing vehicles are required to be scrapped or rendered permanently inoperable within 90 days of being replaced and prior to submitting the reimbursement request.
- Complete the project for all vehicles no later than July 15, 2027. This includes receiving new vehicles, scrapping existing vehicles, and submitting required rebate request documentation to DEQ.
