

PANTHER PRIDE NEWS

May 2015

MR. MALUK NEWS

We are at a point of the school where the end is in sight. May is almost here and June 11 is right around the corner. I can't believe a month has already passed since I took over for Heather Yount while she is on maternity leave.

It has been a personal pleasure getting to know your students and many of you as we work to maintain the status quo and make sure that the end of the year is successful for all. Fruitdale School has always had a special place in my heart so it is a great treat to be back for a few months.

We have just completed parent teacher conferences and if you missed an appointment please do not hesitate to call and reschedule if you feel the need. In addition, please contact me if you have any questions, concerns. Thank you for sending your wonderful students to us ready to work and learn on a daily basis.

Sincerely,
Peter Maluk
Acting Principal
