**Purpose of Trip:** The purpose of the trip is to learn about our government and our nation's history, see the U.S. Capitol Building, visit Arlington Cemetery, and tour the many monuments, memorials, and museums found in and around Washington, DC.

**Trip Itinerary:** Please see attached. Our 2020 itinerary has not been finalized yet. I have attached a copy of the previous year's itinerary as our schedule does not change much from year to year.

**How it is funded:** The trip is funded by students and their families. Many offset the cost of the trip with various fundraisers conducted throughout the year. We also have several students travelling on full or partial scholarships provided by Nations Classroom, the Middle School Parent Association, and individual gifts.

**Transportation:** Students are transported from the middle school to the airport on coach busses. We will fly to and from Washington, DC. While in DC we will travel in coach busses.

**How students and families know about the code of conduct, etc.:** Informational meetings are held for students and their parents beginning in the spring of their 7<sup>th</sup> grade year. Details of the trip are shared as well as the behavior expectations for students travelling with our group. There is also a behavior contract that must be signed by both the students and a parent before we leave the middle school.
