

Governing Board Agenda Item

Meeting Date: October 2, 2025

From: Susan Rose, Director of Procurement

Subject: Revised 2025-2026 Annual Contract Renewals

Priority: To plan for future needs in a proactive, accountable manner

Consent ☒ Action ☐ Discussion ☐

Background:

Each school year, Marana Unified School District issues multiple formal contracting solicitations in the form of Invitation for Bids (IFBs) and Requests for Proposals (RFPs) for goods and services needed in the District. Typically, these solicitations are written to allow for five-years of use which includes a first year and up to four additional years. The actual start and end date of the contract award may or may not coincide with the school year. These solicitations are done in accordance with School District Procurement Rules in the Arizona Administrative Code (A.A.C.) Title 7, Article 10.

The attached, Exhibit A, is a revised list of contracts that were Governing Board approved on June 12, 2025. However, a few vendors were omitted in error. This list has been reviewed and the contractors have been contacted or are in the process of being contacted to confirm renewal for the SY25/26. Many vendors are asking for price increases due to increased costs which are being incurred due to increases in basic commodities and raw materials. We are requiring specific justification prior to approving any price increases.

These contract renewals are subject to acceptance by the vendor and the District's desire to continue to use these contracts. Renewals of vendors listed are not guaranteed and require the approved purchase orders for any orders to be completed. This list does not include the many awarded cooperative purchase contracts, in excess of 150, that the District uses from cooperative agencies such as State of Arizona, Mohave Purchasing Cooperative, or other cooperatives; however, the Governing Board has approved the use of cooperative purchasing contracts through approving membership in these various cooperatives. Per School Board Procurement Rules, the Procurement Department writes Written Determinations on why (e.g., price, availability, terms of delivery, etc.) the individual cooperative contract is being selected and no other quotes are required.

To ensure effective use of resources, prior to actual contract renewal, the District reviews vendor performance, pricing, and other factors before committing to the actual renewal.

Recommended Motion:

I move that the Governing Board approve the revised list of SY25/26 annual contract renewals.

Approved for transmittal to the Governing Board: 
Dr. Daniel Streeter, Superintendent
