

EP School Board Ends Policy Update Process

Goal: Complete by April 2025

Board Education October Workshop

Identify topics and speakers to provide information and context to the board that may be helpful during the process of updating ends policies.

Examples include:

- Review of Flight Plan speaker videos.
- John Tanner - [Brave-Ed.com](#) - measuring the effectiveness of systems.

Review November Workshop

Review of:

- Flight Plan 2035 Key Components
- Strategic Plan Mission Outcomes and Strategic Results
- Current Ends and Relevant Executive Limitations Policies
- Morris Leatherman Survey Results

Prioritization January Workshop

Prioritization of policies to be updated or added.

Process may begin with a survey of board members prior to the January workshop.

The goal is to agree on a manageable number of policies to update and key components/results to be measured.

Draft Policies February and March Workshops

Based on the results of the prioritization phase, the policy committee will begin drafting policy updates and, if needed, new policies.

Our policy governance consultant would likely be brought in for guidance and feedback.
