

# Memo

**To:** Board of Trustees  
**From:** Matt Holtry, Principal  
**CC:** R. Sauer, Superintendent  
**Date:** 8/10/2023  
**Re:** High School Principal Report August 2023

---

Greetings from HHS!

We are looking forward to another successful school year here at HHS! Registration went as smoothly as can be expected. With the increase in the number of students here at HHS it is expected that it would take a little longer to go through the registration process. However, with the hard work and effort from the ladies in the front office as well as those teachers that volunteered their time, we were able to get through the majority of our students. We are still working through the numbers and trying to get a hold of those students that did not show up during registration.

As we return to school I am excited to get back to work with our students and staff alike. With only one new staff member this school year, Mr. Hendrix (9th/10th English), we are excited for the consistency and the growth that comes with that kind of consistency. It is a testament to the work the school district has done as a whole in making Homedale a place of destination for staff and students alike.

Here is to another great school year at HHS!

Matt Holtry
