

Babb Elementary School

Board Report

December 18, 2023

K-2 Classroom: JoAnn Powell

Babb Elementary had 100% Parent Teacher Conferences in November. We also had a great turnout for our Family Thanksgiving Dinner/Lunch. Parents and Guardians sure enjoyed eating lunch with their child/children to celebrate Thanksgiving.

K-6 Began practice for their annual Christmas Play. Students got their parts and are practicing their songs. We had our first attendance incentive on Friday, November 17, 2023. Students went to the movie, *Paw Patrol*, in Cut Bank. Students, staff, and parent volunteers enjoyed the incentive. *Buster the Bus* visited our school and taught the students about bus safety. Our math consultant, Mary Buck, visited our school and worked with the students on enrichment activities.

K-2 has been focusing on SEL (Social Emotional Learning). We are talking about why feelings are important and how to spread kindness with positive words. K-1 made welcome back cards for our custodian, Savannah, after returning from maternity leave. Kindergarten is continuing to learn letters of the alphabet along with counting how many syllables are in a word. First grade is learning their long vowels and are reading and writing simple sentences. In math, Kindergarten wrapped up the month with learning about two-dimensional and 3-dimensional shapes. First grade is continuing to learn sums and differences to 10.

3-6 Classroom: Suzanne Augare

We had a lot going on in our classroom in November. Besides our normal academics, we had Buster the Bus visit us. The students were given a review on the bus rules. Next, we had 2 rangers from Yellowstone Park visit our classroom. They taught the students about volcanos and the animals in Yellowstone Park. It was very interesting. Also, Western Native Voice came out and gave winter hats to all of the students. We really appreciated that. For our first quarter attendance trip we went to Cut Bank to see a movie. Lastly, we have been busy practicing for our Christmas Play. It is coming along very well.
