

11-28-2018 ASC Special Meeting

Meeting comes to order at 6:00pm. Jen Nichols, Ami Eller, Tara Musser, Dawn Jones, Maggie and Paul Gore are all in attendance.

The Christmas show will be on December 14th, 2017 at 5:30pm. The teachers need a list of what they are responsible for and what needs to get done.

NYO is coming soon as well as Valentine's Day and Earth Day. The kids help set up and cook with supervision. NYO is in the spring. The ASC is not involved with this. The teachers will have to coordinate with the school board on this.

If the school wants to do an end of the year field trip then they set it up and ask the ASC for funds. The previous year the kids took a field trip to Sitka. Five and under had to be accompanied by a parent. Preschoolers were not able to go. Any field trip taken has to be educational.

The ASC doesn't have any part in Earth Day. The students usually go around the community and pick up trash. Then Nick cooks hot dogs and hamburgers that the school supplies.

Memorial Day Marathon is the teachers and school districts. The teachers get the kids ready for the marathon and then transport them for the day. It is a big event and there are a lot of people and all the schools are involved. The parents are encouraged to come and help support their kids, but not required.

We really need to start doing more fundraising so that we have money to do sports and trips and all the fun stuff that the kids like to do. It is important for the kids to do stuff since we live in a small community where there isn't a lot of activities. Roller-skating is something the kids like to do as well as go to the pool. Both of these activities are very reasonable. There is a Christmas bazar in Craig that Ami Eller is going to call and get a booth at. We need to figure out what kind of food we want to do. Pizza subs or pulled pork sandwiches are good ideas. They can be premade so we do not need a food card to serve them. Jen Nichols makes a motion to approve \$150 for supplies for the Christmas bazar fundraiser on December 9th, 2017. Paul Gore seconds. All in favor, motion passes.

We need to approve money to buy Christmas presents for all the community kids. We have 17 students and 16 community kids. So we need \$10 a kid at 33 kids. Paul Gore makes a motion to approve \$330 for Christmas presents for the community kids. Tara Musser seconds the motion. All in favor, motion passes.

Tara Musser will be in Ketchikan the 5th thru the 7th and volunteers to buy the Christmas presents. Jen Nichols gives Tara Musser a check and she will bring the receipt back. Maggie Gore and Dawn Jones will put together a Christmas list of things they think the kids would like.

Did we get Dawn Jones her reimbursement for \$75? Jen Nichols writes Dawn Jones a check for \$75.

Ami Eller makes a motion to adjourn at 7:40pm. Dawn Jones seconds the motion. All in favor, motion passes.

The teachers would like a list of the activities they are responsible for and their involvement in them.
