

Principal Letter of Recommendation

CC: Business Office

I recommend that the district hire Karah Preston as our newest special education teacher at BCES. Karah comes to our district after interviewing extremely well with Mr. Little and I.

Karah will start on step BA-1 when she starts teaching in the fall.

Karah is very familiar with Northern Michigan and we are excited to welcome her now that she has completed her bachelor's degree from Loyola and finished her student teaching assignment in Chicago Public Schools.

Kind regards,
Mike Amabile
