Technology Meeting - Reorganization

The Unity Technology Committee has been reorganized for this school year. The representation will now be the district technology coaches from each school. This reorganization is in an effort to streamline communication and to better facilitate the answering of questions. After each meeting the technology coaches will be able to report the status of technology, decisions made, and changes at each staff meeting.

Please communicate any concerns or questions regarding tomorrow's agenda to your building technology coach.

Tentative Agenda:

Technology Committee Meeting
District Board Room
9-12-13
7:30am
