DATE: March 4, 2025

Attached you will find the list of textbooks and primary resources recommended for adoption for use beginning in the fall of the 2025-2026 school year. These resources have been reviewed as part of a rigorous evaluation process conducted by our faculty and administration. Approved resources will continue the roll-up of previously approved curriculum or serve as new additions to existing courses.

Resource materials have been on display as outlined in the school board policy. They have been available for review at CESC 227 N. 4th Street, Geneva.

Approval of these resources is recommended.
