Re: 1<sup>st</sup> Trimester Board Meeting

Date: December 1, 2009

This has been a busy trimester at Applegate School! Our new programs are going strong, students are actively engaged in learning inside and outside the classroom and the over school climate is very positive. OAKS testing for our 3<sup>rd</sup>-8<sup>th</sup> graders is well under way and our math coaching and technology support has been wonderful. We have installed new activboards, continue with training in cooperative learning and working hard on building a rigorous math program K-8. An exciting opportunity has arisen for us to apply for a grant to restore the old building, we await to here the results in January. This has been another example of huge community support for our school. Here are some of our upcoming events we have scheduled for the next few months.

#### **December**

- Book Fair
- Parent Teacher Conferences
- Winter Program- Singing and Strings
- Winter Break
- OAKS testing
