SUBJECT: 2026 Best Communities for Music Education Award

The Fine Arts Department is proud to recognize Goose Creek CISD as a 2026 Best Communities for Music Education (BCME) recipient by The NAMM Foundation.

The Best Communities for Music Education Award is a national recognition presented to school districts that demonstrate outstanding achievement and commitment to providing high-quality music education opportunities for all students. Districts are evaluated on multiple factors, including funding, participation, instructional access, scheduling, facilities, and community support for music education programs.

More than 1,000 districts and schools across the nation were recognized in 2026, and Goose Creek CISD earned this distinction through the collective efforts of our students, educators, administrators, and community stakeholders.

This recognition reflects the continued growth, success, and impact of music education programs across Goose Creek CISD and highlights the district's commitment to providing students with meaningful Fine Arts opportunities.
