**DESCRIPTION:**

Buffalo High School has completed its winter activities season for 2011-2012. This report includes a narrative summary for each winter activity. Coaches and advisors have submitted season summaries for your review. The report also includes a detailed statistical summary of participation including coaching/advisor ratios.

**CONFERENCE UPDATE:**

The Mississippi 8 Conference will only have six schools for 2012-2013. With Becker's departure to the Granite Ridge Conference, the schools that remain are Big Lake, Buffalo, Cambridge Isanti, Monticello, Rogers and STMA. The good news is we now have three schools with signed school board resolutions to join (rejoin) the conference for 2013-2014. St. Francis and North Branch from the North Suburban Conference are joining and Princeton has decided to return. Chisago Lakes, also of the North Suburban, will be making a decision on May 24<sup>th</sup> on being the tenth school in the conference. This conference will allow for flexibility and creativity in scheduling that will serve us well for years to come.
