Dr. Karen Gray, Superintendent
Parkrose School District
10636 N. E. Prescott St.
Portland, OR 97220

Dear Dr. Gray,

I realize this is a bit late, but I wanted to thank the District for the bouquet of flowers sent to me while I was in the hospital. I was there most of five days with what was diagnosed as a viral infection, for which there is no specific cure.

I've been home less than a week and have 2 or 3 people from the hospital checking 2 or 3 times a week to make sure things are progressing as they should. Included in the care is a physical regimen to help me recover, which sometimes takes a month - there's no time table.

I don't know now whether I'll go back to volunteering once I'm cleared to do my usual routine.

Please convey to Andrea and MaryLu my appreciation for their visit.

Sincerely,

Earle DeKay
